## ON ARRIVAL

### \* WELCOME

Arrive at your pre-booked time and make your way to reception where we will check your details and ask you to sanitise your hands. Let us know if there was something specific you wanted to see or ask and we can ensure that we plan this during your viewing / tour.

### \* STAY SAFE

During your time inside we ask that you wear a facemask and keep yourself and our team members safe by staying 2 metres apart. We ask that those of you in the same bubble stay together and not separate.

## TALK TO US !

### \* ASK QUESTIONS

No two weddings are the same and so it is impossible to put every detail in the wedding brochure. We encourage you to take a look at the brochure firstly for an overview and ask as many questions as you like afterwards. We will try our best to answer all your questions during your viewing.

### \* CHECK DATES

If you've not yet booked a date with us, let us know which date(s) you have in mind which we will gladly check for you.

### \* SUPPLIERS

Due to Covid limitations we will not have suppliers on hand during the Wedding showcase. However, many of our local suppliers have been instrumental in creating the look that you will see on the day. We will provide you with their contact details so that you can discuss your dreams directly with them.

## What's Next?

Have you asked all your questions, read the wedding brochure, viewed the property, checked availability for your preferred date and are now looking to book?

***Let us know!***

We will hold your preferred date for you whilst you contact the local registrar / church / chapel etc. to ensure that they also have the date available.
